CASH FLOW HIGHLIGHTS

Operating Cash Flow
€4.8m

▼ 148.1% vs budget ▲ 150.6% YoY — MoM

Strong operating cash flow, showing solid cash generation.

Free Cash Flow
€4.8m

▼ 148.1% vs budget ▲ 150.6% YoY — MoM

Strong free cash flow, no major capex impact.

Net Cash Movement
€4.8m

▼ 148.1% vs budget ▲ 150.6% YoY — MoM

Positive net cash movement was generated during the period, supported by healthy operational cash inflows and improved liquidity generation.

Closing Cash Balance
-€35.7m

— vs budget — YoY — MoM

Closing cash balance is negative, highlighting potential liquidity pressure and indicating that available cash may not fully cover short-term operational needs.

Operating cash flow of €4.8m was generated during the period, offset entirely by other cash movements of -€4.8m, resulting in net cash movement of €0. The closing cash position of -€35.7m reflects a structurally negative balance carried forward. Collections on the €62.3m change in accounts receivable remain the primary drag on cash conversion.

Executive Summary

Performance highlights, observations, and strategic recommendations based on current financial and operational trends.

Highlights

Revenue Performance

Revenue decreased by 17.3% year-over-year to 67,371,359.

Profitability

Net profit of 53,119,976 representing a 78.8% net margin.

Gross Margin

Gross profit of 65,480,161 with a 97.2% gross margin.

Observations

Accounts Receivable

Receivables increased by 234,762,776. Current receivable days: 1845 days.

Cash Position

Cash decreased by 19,880,235 during the period. Current cash balance: (35,707,042).

Recommendations

Improve Collections

Consider reviewing credit terms and collection processes to reduce receivable days and improve cash flow.

Cost Management

Review direct costs and supplier contracts to address the decline in gross margin.

Operating Efficiency

Operating expenses as a percentage of revenue increased from 14.9% to 18.3%. Review overhead costs for optimization opportunities.

Cash Flow Management

Monitor cash burn rate and consider strategies to improve operating cash flow, such as extending payables or accelerating collections.
